### Changes to texts within the Liturgy of the Eucharist

May the Lord accept...and the good of all his holy Church  
This response remains unchanged except for the addition of the word holy in the end phrase. This word appears in the Latin text and so is being added to the English text.

### Preface dialogue

The change to the response to "The Lord be with you" as "And with your spirit" has already been noted. The only other change in this dialogue is the final response which is what is found in the Latin "It is right and just". These words are taken up by the Priest as he continues the Eucharistic Prayer with the Preface itself: It is truly right and just.

### Holy, Holy, Holy Lord (Sanctus)

The only change to this text is the phrase "Lord God of hosts" instead of "God of power and might". "Hosts" or "armies" are the usual translations of the Hebrew word Sabaoth. Here it means the "heavenly hosts of angels" – a phrase that we are familiar with from the second verse of our Christmas hymn "Silent Night".

*The new responses which are being used at Mass are available on cards in our Churches. We ask you to please leave the cards on your seats after Mass.*

### Day for Life Prayer

*We thank you Lord for the gift of life.  
Help us appreciate the unique dignity of every person and the individual contribution they make to the world, in fulfilment of the task you give them.*

*Enable us by your grace to promote their wellbeing, serving you in one another in a spirit of generosity, through Christ Jesus Our Lord.  
Amen.*
