THE BAPTISM OF OUR LORD.

Sons and daughters of God

Into the waters of Jordan Jesus descended,
as he has descended from heaven to earth,
as he would later descend to the underworld;

he entered fully into the depths of the river,
into the depths of humanity,
into everything that is human
and then he heard the words of God,
You are my Son, the Beloved.

A big moment for Jesus,
a moment when he knew God was with him,
that he was loved and was on the path of God.

Moments like when we knew we were lived by
God, on a mountain walk,
a stroll by the sea,
a time of prayer,
a conversation with a friend,
a time when we knew we were helping
someone, times when we have plunged into the
depths and discovered the love of God.

Moments like illness and bereavement,
anxiety about a child or a parent,
staying with someone in times of trouble:
then we have discovered something
not always seen or heard,
a faith born from the depths
of our human experience that we are sons and
daughters of God.

Feast of the Baptism of the Lord.

Today the Church celebrates the Solemnity of the Baptism of Our Lord. This brings to an end the season of Christmas. The Church recalls Our Lord's second manifestation or epiphany which occurred on the occasion of His baptism in the Jordan. Jesus descended into the River to sanctify its waters and to give them the power to beget sons of God. The event takes on the importance of a second creation in which the entire Trinity intervenes.
