REFLECTION:

YOU ARE LOVED BY ROGER PINCHES

When the road seems too long

When darkness sets in

When everything turns out wrong

And you can't find a friend

Remember ~ you are loved

When smiles are hard to come by

And you're feeling down

When you spread your wings to fly

And can't get off the ground

Remember ~ you are loved.

When time runs out before you're through

And it's over before you begin

When little things get to you

And you just can't win

Remember ~ you are loved.

When your loved ones are far away

And you are on your own

When you don't know what to say

When you're afraid of being alone

Remember ~ you are loved.

When your sadness comes to an end

And everything is going right

May you think of your family and friends

And keep their love in sight

A thank-you for being loved.

May you see the love around you

In everything you do

And when troubles seem to surround you

May all the love shine through

You are blessed ~ you are loved.
