Many other signs.

They remembered some things Jesus did, wrote down others, but there were more. There are other books where the signs of Jesus are written, the books of everyone's life. You and I are the signs of Jesus.

The ordinary kindnesses of an ordinary day, like a message brought for a housebound person, like the daily care of father and mother, the care of children for parents and family, signs of the love and care of Jesus.

The sign that Jesus is alive: remembering the bereaved and the sick, creating employment and good housing, helping the work of others in a developing country; that he is raised from death, and we are writing the resurrection story for today.

EDUCATION FUND, KILLALOE DIOCESE COLLECTION: This Annual Collection will be taken up at all Masses on the weekend of 24/25 April.
