PEACE

It does not mean to be in a place
Where there is no noise, trouble
Or hard work. It means to
Be in the midst of those things
And still be calm in your heart

My Lord God,

I have no idea where I am going, I do not see the road ahead of me. I cannot know for certain where it will end, nor do I really know my self, and the fact that I think that I am following your will does not mean that I am actually doing so. But I believe that the desire to please you does in fact please you. And I hope I have that desire in all that I am doing. I hope that I have that desire in all that I am doing. I hope that I will never do anything apart from that desire. And I know that if I do this you will lead me by the right road though I may know nothing about it. Therefore will I trust you always though I may seem to be lost and in the shadow of death. I will not fear, for you are ever with me, and you will never leave me to face

my perils alone.

Thomas Merton
