A person of peace

*To bring peace among people is one of life's greatest gifts.
People who are peacemakers are the sons and daughters of
God, for they share in one of the biggest desires of God: peace
in the world, peace in the community, the neighbourhood,
peace in the parish, and in the country, peace in the heart of
everyone.*

*To bring peace we need to be at peace ourselves; and the
person of peace is a person who knows his or her place, and
knows God's place in the world.*

*To be a person of peace is to know that others have rights, and
that others have problems that make them act the way they do,
and the person of peace brings understanding and compassion
to the problems of others.*

*To be a person of peace is to know that much in life is outside
our control. We cannot turn back the sea nor change the time
of sunset, and neither can we control the lives of others.*

*To be a person of peace is to be engaged each day in love and
care with the God of peace.*

*May we be instruments of God's peace, for through each of us
comes God's gift of peace for all.*

EARTHQUAKE IN HAITI: This Monday 12 July marks six months since Haiti was devastated by a massive earthquake. Immediately after the disaster, parishes across Ireland answered Haiti's call for help and held collections for Trócaire's emergency response. As part of Caritas Internationalis, the world's second biggest humanitarian network, we can rapidly access communities in disaster-stricken countries. These close links make sure your donations reach suffering people immediately and that, together, we can save lives. Parishes like yours helped raise €4,681,168 which is now rebuilding shattered lives across Haiti. Thanks to your generosity Trocaire has provided: Shelter to 900,00 people, Life-saving healthcare to one million people, Food to one and a half million people, Help rebuilding schools and hospitals, School-feeding programmes, Safe places for children in five main temporary camps & Trauma counselling and education for affected children. We are now planning a major five-year rebuilding and reconstruction programme. Your support at this crucial time has helped the country take its first steps toward a new future.
