**Safeguarding.** Pope Francis reminded us that, ‘in the Confiteor, we ask forgiveness not only for the wrong we have done, but also for the good we have failed to do’ In the past, the Catholic Church in Ireland failed in its duty to protect children and young people. Church policies have focused on establishing consistent standards to prevent abuse and assist the Church on its journey to learn from the mistakes of the past and ensure that children’s safety is a core part of its mission.

**Reflection**

**The Mission of My Life**

God has created me to do Him some definite service.  
He has committed some work to me which He has not committed to another. I have my mission. I may never know it in this life, but I shall be told it in the next. I am a link in a chain, a bond of connection between persons. He has not created me for naught. I shall do good; I shall do His work. I shall be an angel of peace, a preacher of truth in my own place, while not intending it if I do but keep His commandments. Therefore, I will trust Him, whatever I am, I can never be thrown away. If I am in sickness, my sickness may serve Him, in perplexity, my perplexity may serve Him. If I am in sorrow, my sorrow may serve Him. He does nothing in vain. He knows what He is about. He may take away my friends. He may throw me among strangers. He may make me feel desolate, make my spirits sink, hide my future from me. Still, He knows what He is about.
