LEARNING ABOUT THE MASS WITH KATH AND QUMEN

PREPARING THE CHURCH FOR MASS

The sacristan is a very important person in church. He or she opens and closes the building, makes sure that it is warm and welcoming, prepares the altar, lights the candles, puts out the necessary books and things needed for the Mass and makes sure that there are enough candles, wine and altar breads for Mass. In most parishes there are people who look after the cleaning of the church. They also make sure that there are flowers to decorate the altar. They may put up the crib at Christmas and decorate the church building for special occasions.
