Reflection

God's Call

God's call comes to us in many ways
And at many different levels.

However, his call is not so much a voice
As a tug at our hearts, which we feel

At quiet and reflective moments in our lives.
He is calling us to a deeper and more authentic life.

He is calling us into intimacy with himself.
He is calling us into community with others.
And at death he will call us into eternal life.

To accept means to admit our need.
Jesus said, 'Woe to you who are full now,
For you will go hungry.

But blessed are you who are hungry now,
For you will be filled.'

A sense of something missing in our lives
Is not a curse but a blessing.

A spiritual hunger

Is God's way of inviting us to his banquet.

Do not lose heart - A message from Bishop Fintan

Now that more restrictive measures are being put in place, we encourage people to persevere and not to lose heart. Faith and prayer, in the home and in church can be a huge support in difficult times. While we fully support the guidance of the public health authorities, we will continue to engage constructively in the coming days with the civil authorities to ensure that our people have continued access to the support of Mass and the Sacraments and essential spiritual nourishment for these challenging times. The communal celebration of Mass and the Sacraments – even with restricted numbers – is at the very heart of what it means for us to be a Christian community.

These are not simply 'gatherings' of people, but profound expressions of who we are as a Church. For parishes, and individual Catholics, the loss of these spiritual supports can be a source of great anxiety, and fear, and can have a detrimental impact on their overall health and well-being.

This year, the month of November, in which we traditionally remember the dead and pray for the bereaved, will be particularly poignant. We sense a huge yearning for consolation and hope in the heart of our people. We are especially mindful in 2020 of those grieving families, who, because of restrictions, have been unable to experience the customary spiritual and community supports which are so much part of our Irish tradition. On 1 November at 3.00pm the bishops and priests of Ireland will lead a short service of prayer to dedicate the month of November to 'Remembrance of the Dead and Prayer for the Bereaved'. We invite the whole country to unite in this moment which will be followed by parish liturgies throughout the month of November, reaching out as much as possible to those who cannot be physically present.

The pandemic has also heightened our consciousness of suffering further afield. The pandemic is a global phenomenon. It has impacted most severely on people around the world who are already seriously disadvantaged in terms of poverty and lack of access to healthcare. Although we are faced with difficult challenges in our own lives and our own land, let us not forget the need for solidarity with all our brothers and sisters who are suffering throughout the world. The courage, compassion and generosity of Irish people during the pandemic – especially that of our health workers, carers, priests and others working in essential services – has been uplifting and inspiring. In this mission month of October, we appeal for your support for Trócaire, Saint Vincent de Paul Society, our missionaries and other charities who are reaching out to the poorest and most in need – both at home and in the furthest corners of the world. Let us not 'pass by on the other side', but, in the example of Christ, open our hearts and reach out our hands in response to their great need.
