A Prayer for Our Earth

*All-powerful God,
you are present in the whole universe
and in the smallest of your creatures.
You embrace with your tenderness all that exists.
Pour out upon us the power of your love,
that we may protect life and beauty.
Fill us with peace, that we may live
as brothers and sisters, harming no one.
O God of the poor,
help us to rescue the abandoned
and forgotten of this earth,
so precious in your eyes.
Bring healing to our lives,
that we may protect the world and not prey on it,
that we may sow beauty,
not pollution and destruction.
Touch the hearts
of those who look only for gain
at the expense of the poor and the earth.
Teach us to discover the worth of each thing,
to be filled with awe and contemplation,
to recognize that we are profoundly united
with every creature
as we journey towards your infinite light.
We thank you for being with us each day.
Encourage us, we pray, in our struggle
for justice, love and peace.*

Fr. Anthony is seeking to establish a group to be involved in preparing students for the Sacraments, to work with the young people in preparing rituals & retreats. This might be of interest to parents involved in previous core groups, or teachers current or retired or anyone with an interest in this area. It is important to build a group of people in this area, involved in the special sacraments and great parish celebrations and to see people working together. Passing on the faith. If interested please contact Fr. Anthony or Parish Office.
