REFLECTION – Receiving the word

The word of God is to the human heart
what a seed is to the earth.

However, just as a seed needs soil,
so the word needs a receptive heart.

The earth responds to the rain and sun
so that even the desert blooms.

But the arid human heart has the power to resist
so that it remains barren.

Lord, soften our hearts with your grace,
open them with your gentle love,
so that the precious seed of your
word may take root in our hearts,
and bear fruit in our lives.

A warm welcome to all who are joining us for the Willie Clancy Week! We wish all the best to the organisers and all who make this week happen!
