Mission Month: October is Mission Month. There are approximately 1,500 Irish born missionaries working in more than 80 countries. They continue to spread the Gospel through their work, their deep commitment to the people they serve and their Faith. In essence, they lead by example and have helped to change, for the better, millions of lives all over the globe. The people in Killaloe Diocese have been urged to support missionaries working in some of the world's poorest countries by donating during the forthcoming **Mission Sunday collection on October 19th**. The theme for World Mission Sunday in Ireland this year 2014 is **"That they may have Life"**. As we thank you for your wonderful generosity to the Missions over the years we invite you to please continue to help our young churches to share the gift of faith though your prayer and whatever financial assistance you can.

PRIESTS COLLECTION

We thank you for your support of the Priests Collection which was taken up last weekend. This collection can be supported at any stage through church collections or in the Parish Office.

Next Sunday is **MISSION SUNDAY** where we support all who work overseas on the missions. A purple envelope is available in box of envelopes or if you would like to support this collection just mark 'Missions' on any donation.
