FRIENDS OF ASTHMA: PLEASE DONATE YOUR UNWANTED SHOES AND CLOTHES. 470,000 people in Ireland have asthma, the fourth highest prevalence worldwide. 90,000 people do not have their symptoms controlled. Irish adults with asthma loose on average 12 days from work per annum. There are between 6,000 and 7,000 asthma-related hospital admissions per year. Between 80 and 100 people die in Ireland each year from asthma - 30% of these are under 40 years of age. By supporting this you are helping to raise the much needed funds for research. Thanking you for your valid support. Please leave your donated goods at Church Car Parks in Mullagh, Quilty and Coore between 9am. & 12noon on next Tuesday 15 January 2008.
