Lent

Lent can be more than a time of fasting; it can be a season of feasting. We can use Lent to fast from certain things and to feast on others. It is a season in which we can:

Fast from judging others; feast on the Christ dwelling in them

Fast from emphasis on differences; feast on the unity of life

Fast from apparent darkness; feast on the reality of light

Fast from thoughts of illness; feast on the healing power of God

Fast from words that pollute; feast on phrases that purify

Fast from discontent; feast on gratitude

Fast from pessimism; feast on optimism

Fast from worry; feast on divine order

Fast from complaining; feast on appreciation

Fast from negatives; feast on affirmatives

Fast from unrelenting pressures; feast on unceasing prayer

Fast from hostility; feast on non-resistance

Fast from bitterness; feast on forgiveness

Fast from self-concern; feast on compassion for others

Fast from personal anxiety; feast on eternal truth

Fast from discouragements; feast on hope

Fast from facts that depress; feast on verities that uplift

Fast from lethargy; feast on enthusiasm

Fast from thoughts that weaken; feast on promises that inspire

Fast from shadows of sorrow; feast on the sunlight of serenity

Fast from idle gossip; feast on purposeful silence
