A PRAYER FOR UKRAINE

God of peace and justice,

We pray for the people of Ukraine today.

We pray for peace and the laying down of weapons.

We pray for all those who fear for tomorrow,

That your Spirit of comfort would draw near to them.

We pray for those with power over war or peace,

For wisdom, discernment and compassion to guide their decisions.

Above all, we pray for all your precious children, at risk and in fear. That you would hold and protect them.

We pray in the name of Jesus, the Prince of Peace. Amen.

Reflection

Your endurance will win you your lives
Isn't courage something we really admire in people?
A child learning to walk and making efforts,
even when she falls or he has to be helped at every step.

A young person trying again after exam failure,
or making yet another job application.
People who make it against the odds
of illness or handicap or deep hurt.
Courage is strength from the inside.

Webcam: www.kibparish.ie/webcam

How to nourish this strength?

Look at the face of Jesus
and see the face of God

alive with courage in face of death,
shining with courage in the face of rejection,
a face communicating strength –
strength born in the depths of his suffering –
strength to his friends like you and me when we suffer.

We need courage in love;
when the care we try to offer is rejected,
and we feel let-down and no good;

We need courage when we try to work on behalf
of those who are neglected, homeless, poor,
and our efforts are destroyed by greed in society.

We need courage
in the love which cares for people in pain,
and we feel helpless and angry on their behalf.

Look at the face of Jesus,
alive and shining with courage;
look at the eyes of Jesus,
eyes hopeful with love and friendship,
shining with compassion, for you and me;
an enduring love which is faithful forever.
His endurance won him his life;
he will ensure that our endurance will win us ours.
