### Thinking God's way

*It is God's way to see the child of God in everyone,  
God's way to forgive and be reconciled,  
God's way to work for justice and peace,  
God's way to see, in the weakness of death,  
the strong promise of eternity.*

*God sees no waste in life  
for in everything love can grow and God can be found.  
And that was the way for Jesus who said  
that the son of Man was to suffer grievously,  
be put to death,  
and on the third day rise again.*

*Jesus, once condemned to death,  
now raised to life in the love of God.*
