THE IRISH CANCER SOCIETY is seeking compassionate volunteer drivers to join our pool of drivers. As a volunteer driver you would be bringing patients undergoing chemotherapy to the hospital and back home for their treatment. Gifting your time means that cancer patients will have comfortable (one on one) transport to attend appointments for their lifesaving treatment. If you can spare 2 days per month, have a valid driving licence, and a safe, reliable vehicle, you are the perfect candidate to make a significant difference. The Irish Cancer Society will provide you with training before you start as a driver for us. Your generosity not only eases the journey for many during a challenging time but also offers comfort and support when it's needed most. For more information and to become a volunteer driver, please contact Monica or Emily at volunteer@irishcancer.ie The feedback we receive from patients that have relied on the Transport Service in the past is heart-warming and underlines the need of its existence. We would be extremely grateful for your support, as it will help us to continue supporting those who are impacted by cancer. Please do not hesitate to get in contact with us for further information.

REFLECTION –

Only God creates -but we are called to enhance that creation
Only God gives life – But we are called to cherish life.

Only God makes to grow – But we are called to nourish that growth
Only God gives faith – But we are called to be signs of God for each other

Only God gives love – But we are called to care for each other
Only God gives hope – But we are called to give each person reason to hope

Only God gives power – But we are called to build bridges
Only God brings peace – But we are called to build bridges
Only God brings happiness – But we are invited to be joyful
Only God is the way – But we are called to show the way to others
Only God is light – But we are called to make that light shine in the world

Only God makes miracles happen – But we must offer our loaves and fishes

Only God can do the impossible – But it's up to us to do what is possible
