### STRANGE LAWYER

*A lawyer named Strange died, and his friend asked the tombstone maker to inscribe on his tombstone, "Here lies Strange, an honest man and a lawyer."*

*The inscriber insisted that such an inscription would be confusing, for passers-by would tend to think that three men were buried under the stone.*

*However he suggested an alternative. He would inscribe, "Here lies a man who was both honest and a lawyer." "That way, whenever anyone walked by the tombstone and read it, they would be certain to remark, "that's Strange."*
