Miltown/Moy First Responders with Paramedic support are providing a course on the 15th June at 7.30 in Miltown Community Centre. The aim is to show you what to do if someone collapses. You will learn how to assess them. You will learn how to do CPR and how to use a Defibrillator. This course has been going for 6 months and all who did it rate it very highly. If you can't make it, we hope to do another after the summer.

Best of luck to all our students doing exams. There is a book available in the Sanctuary of Mullagh Church, you can write the name of your child doing the exam and we will remember them each day in the morning masses.

### REFLECTION

The person in misery does not need a look that judges and criticises, but a comforting presence. Jesus looked at the ordinary people, and seeing how needy they were, he had compassion on them and began to minister to them.

Compassion means that I suffer with you; I accept into my heart the misery in yours; I become one with you in your pain. I may not be able to relieve that pain, but by understanding it and sharing it, I make it possible for you to bear it. Lord, give us warm and generous hearts so that we may be agents of your compassion to others.
