#### FOURTH SUNDAY OF LENT

*"My Son, You are with me and all I have is yours..."*

The parable of the prodigal son illustrates a parent's unconditional love for his or her children, as a father welcomes home a son who has strayed, while reassuring his other son that he is also loved dearly. On Mother's Day we realise, again, the depth of his parental love in our own lives. The little girl on the Trócaire box, Domitille, is lucky to have a mother to love and look after her. Often her mother, Triphonie goes without food to make sure her children get enough to eat. She tells Trócaire that there isn't always enough to go around and she will do whatever it takes to make sure they don't cry with hunger. Please support Trócaire's Lenten campaign this year in whatever way you can. Your support will help mothers like Triphonie all over the world.
