YOUR ENDURANCE WILL WIN YOU YOUR LIVES

Isn't courage something we really admire in people? A child learning to walk and making efforts, even when she falls or he has to be helped at every step. A young person trying again after exam failure, or making yet another job application. People who make it against the odds of illness or handicap or deep hurt. Courage is strength from the inside.

How to nourish this strength? Look at the face of Jesus and see the face of God alive with courage in face of death, shining with courage in the face of rejection, a face communicating strength - strength born in the depth of his suffering - strength to his friends like you and me when we suffer.

We need courage in love; when the care we try to offer is rejected, and we feel let-down and no good;

We need courage when we try to work on behalf of those who are neglected, homeless, poor, and our efforts are destroyed by greed in society.

We need courage in the love which cares for people in pain, and we feel helpless and angry on their behalf.

Look at the face of Jesus, alive and shining with courage; look at the eyes of Jesus, eyes hopeful with love and friendship, shining with compassion, for you and me; an enduring love which is faithful forever. His endurance won him his life; he will ensure that our endurance will win us ours.
