### A Lament for my baby

I never got to hear you laugh  
You never saw me cry

I didn't get a chance to say 'Hello'  
And you never said 'Goodbye'

I never thought that I could feel  
So sad - Lost and Forlorn

I didn't know God chose his angels  
Before some of them are born

Your life was short - but special  
I shared it all exclusively

I felt you breathe, I felt you kick  
You lived your whole life inside me

And though we are not together  
We are really not apart

For you are still inside me - you are the beat  
Of my ever aching heart

But time has begun to ease my pain  
Its only some days now I cry

When I wish I could have said 'Hello'  
An heard you say 'Goodbye'
