Sunday, 15th October 2017:

Next Sunday is World Mission Sunday

Next Sunday, the Holy Father invites all Catholics to contribute to a special collection. Every person in every parish in every country where the Church is present will be celebrating together and sharing what they have, no matter how little. It is the one Sunday in the year when the Mass is celebrated exclusively for missionary activity. Donations are collected at these worldwide Masses and they go to support churches, hospitals, schools and vocations in countries where the Church is new, young or poor. It is also the one Sunday in the year when your generosity goes directly to help mission parishes overseas and reach out with Jesus' message of hope and love. World Missions Ireland is the Holy Father's official charity for overseas mission. It is responsible for coordinating Mission Sunday in Ireland and, through local bishops, churches, and missionary congregations around the world, ensures that resources are distributed equitably and justly on the basis of need. In offering our prayers, we join with missionaries everywhere in communion and compassion to support them in spreading the Good News, and by giving a donation we respond to Christ's call to feed the hungry and clothe the naked so please give what you can. Thank You.

A purple envelope is available for this collection in your yearly supply of envelopes. If you are missing this or any weekly envelope, spare yellow ones are available in Church porches.

World Meeting of families August 2018

A petition box will be placed in front of the altars of the three churches. Petitions can be placed in the boxes throughout the year - we pray for all families who have particular needs at this time. We place prayers for our own families and individual family members.

Training for Community/ Lay Led liturgies.

Continues on Monday 16th October from 7.30pm to 9pm in St. Joseph's Secondary School, Spanish Point. It is great to see so many in attendance; this is a very important training for our Parish/Cluster at this time. Some people who couldn't make it last week are still very welcome to become involved - anyone interested can join in the training over the next three nights. We hope to have a team trained and in place in each of the churches. We thank Maureen Kelly & Fr. Ger Nash from Killaloe Diocesan Pastoral Development Team for coming each week to lead us in this training.
