REFLECTION

Risen Jesus, reassure me of the promised joy implicit in your risen life.

Reenergise my spirit when it creeps into the cave of gloom. Bring it forth into the light of your radiance.

Reestablish attentiveness to the wonder found in nature’s continual infolding of the seasons, each one with its own inherent beauty.

Reinvigorate a desire to enter each day confident of your grace to maintain a positive perspective, no matter what unexpected turbulence or distress confronts me.

Renew an ability to find satisfaction in my faith without having to poke continually at truths that remain unresolved

Resist my attempts to foster complete control, and thus I miss the adventure of risk-taking and the invitation to step out of tightly bound securities

Reclaim love grown cold or dormant due to neglect, misperception, or the deluge of overwork that quickly steals affection from my heart.

Restore order and balance in my mind. Clear it of tangling thoughts, judgements, and issues that steadily poison my enjoyment of life.

Resurrect the undivided passion I once had for bringing the best of my inner goodness to each and every part of what claims my attention

Reveal what keeps playfulness from emerging, forfeiting the freedom to express the laughter hiding inside of me

Release the door of my heart to let me enter the tender moments and unforeseen experiences holding great happiness if only I am open to them

Prayer for Holy Week by Christine Sine

God, as we journey through Holy Week toward the cross, May we remember the wonder of who you are.

Beyond sin, your love is inexhaustible,
Beyond brokenness, your forgiveness is incomprehensible,

Beyond betrayal, your grace is poured out eternally,
Beyond death your life is unimaginable.

Beyond human understanding,
your ways are always higher than ours.
