FR MARTIN MAREJA from the Pallottine Fathers

Missions will be here at all Masses the weekend of (29th /30th JUNE) to promote their mission work. The Pallottines were founded by Saint Vincent Pallotti, who was born in Rome in 1795. From his childhood he offered his life to the service of the poor, and founded the Union of Catholic Apostolate. At that time the laity was not actively involved in the ministry of the Church and Saint Vincent wanted to inspire people of all walks of life to work for God's kingdom. Saint Vincent wanted people to treat those in need "with care and with a loving concern". He died in 1850, leaving a legacy that continues to inspire people worldwide today.

Reflection

The Seed that grows by itself

On many an idle day have I grieved over lost time.

But it is never lost, my Lord.

You have taken every moment of my life
in your own hands.

Hidden in the heart of things you are nourishing
seeds into sprouts, buds into blossoms,
and ripening flowers into fruitfulness.

I was tired and sleeping on my idle bed and
imagined all work had ceased.

In the morning I woke up and found my garden full
with wonders of flowers.
