A CARESS OF GOD EXPLORING CREATION SPIRITUALITY: Pope Francis tells us in his encyclical Laudato Si: "The entire material universe speaks of God's love, his boundless affection for us. Soil, water, mountains: everything is, as it were, a caress of God" (84). Yet he asks: "Nature is filled with words of love, but how can we listen to them amid constant noise, interminable and nerve-wracking distractions, or the cult of appearances?" (225) Join us in Cloughjordan Ecovillage on Saturday 22nd September for a day of reflection and sharing on creation spirituality. This day of reflection coincides with the annual Féile na Núll in the ecovillage (to mark the European Day of Sustainable Communities). There will be lots of activities taking place and local food producers will be running food stalls on Saturday 22nd September.
