Hall Committee Update

Hello all, hope you are keeping well in these challenging times. It was hoped to call an AGM of our Parish Hall Committee in early 2020 in order to deliver our Annual Report, elect new officers and plan for the future. However the current virus has prevented this happening and probably will continue to impede progress for the foreseeable future.

As you are aware enormous progress has been made to date with the Hall. Thanks to the collective generosity of all, allied to the determination of our Committee, the Hall has been largely rejuvenated and resurrected to serve our community well into the future.

All income and expenditure details regarding Hall Development are currently with our Accountant. These will be published as soon as they are available with a copy appended to the Parish Newsletter.

An additional substantial donation was recently received. The benefactors of same visited the hall and were very impressed with progress to date. We discussed the next steps in our modernisation and hall renewal. They were particularly enthusiastic about restoring the original maple dance floor. We have pursued this and as the hall is not in use at present, this would be a good time to proceed with this work. Hence this will commence shortly.

Please God, current health and Governmental regulations will abate over the coming months and we will be able to hold our AGM and complete a few additional Hall projects with remaining existing funds.

In conclusion we wish all the best of health until we get over these difficult times and hope that we can all get together to re-open and dance the Covid19 blues away in "The Hall" at some future time.
