### It is the Lord.

They watched from the boat and looked to the shore: an early dawn, maybe a mist till the sun got strong, and a figure in the mist. It was Jesus but they didn't recognise him. Then they picked up some words from the shore and it began to dawn - they knew him by his words of friendship and life, and later would know him in the bread of life. It is the Lord: This can be said: when we are surprised by the peace of prayer, by the love of a friend, by the care shown us when we need care, by the truth that enlightens our minds and the life that gives a lift to our hearts, and the care we offer others.

**EDUCATION FUND, KILLALOE DIOCESE COLLECTION:** This Annual Collection will be taken up at all Masses next weekend 24/25 April. At present the Diocese has four young men preparing for the priesthood. As well as supporting the education of the Priests, the fund also supports post-graduate education for the Priests of the Diocese and in recent years a portion of the fund is allocated towards the future expense in training of lay people for various ministries in the Diocese. We continue to pray that many will respond to the Lord's calling in the future. We ask your generous response towards this collection and please use purple envelope marked **EDUCATION FUND** and dated 25 April 2010. We also ask that **NO other Church Gate Collections** take place next weekend.
