### FROM BEGIN BRENDAN KENNELLY

Begin to the loneliness that can not end since it perhaps is what makes us begin, begin to wonder at unknown faces at crying birds in the sudden rain, at branches stark in the willing sunlight, at seagulls foraging for bread, at couples sharing a sunny secret alone together while making good. Though we live in a world that dreams of ending that always seems about to give in something that will not acknowledge conclusion, insists that forever begin.

### Week of prayer for Christian Unity

Pope Francis in Sri Lanka last week "Whenever people listen to one another humbly and openly, their shared values and aspirations become all the more apparent. Diversity is no longer seen as a threat but as a source of enrichment."

The theme for the week of prayer or Christian Unity 2015 is inspired by the encounter between Jesus and the Samaritan woman at the well in St. John's Gospel.

Jesus said to her  
"Give me a drink" John 4:7

### World day of prayer for migrants and refugees January 18th.

On this day we are asked to remember in our prayers those who have left our shores and those who have joined us here in our parishes from overseas. Let us remember in a special way those migrants whose journeys were filled with fear, trepidation and hostility. In particular let us remember the elderly Irish Community in Britain, the undocumented in the United States and Irish prisoners overseas. We remember those who are victims of racism, trafficking and those living in the direct provision system. May we all work together in prayer for solidarity with migrant peoples both at home and abroad. May they find comfort and shelter.
