The Collect or Opening Prayer

The Introductory Rites concludes with the Collect or opening prayer. This prayer changes from week to week, even from day to day. All of these prayers contained in our current Missal have been retranslated. People will notice a difference in how this prayer sounds. The sentences are longer and more complex because they follow more closely the structure of the original Latin text. This prayer will demand our attention. Over time the pattern of this prayer will come more familiar to us and will more easily sit on our ear.

Changes to the text within the Liturgy of the Word

The Word of the Lord / The Gospel of the Lord
At the end of the First and Second Reading the reader acclaims: "The Word of the Lord" – a direct translation of the Latin Verbum Domini. Likewise in the Gospel we see the omission of the words "This is.." making what is proclaimed a very simple acknowledgement of what we have just encountered in the readings and the Gospel – God's living word to us.

The new responses which are being used at Mass are available on cards in our Churches. We ask you to please leave the cards on your seats after Mass.

SYMPATHY: We offer our sympathy to the family, friends and relatives of Teresa McMahon nee Nugent, Finuremore, Mullagh buried during the week.

PRIESTS BENEVOLENT FUND: The second envelope in your box next weekend is to support Bishop O'Reilly in his efforts to care for an increasing number of sick and retired Priests. Some of the Priests in their younger days, worked here in our Parish and gave their best. Now in their twilight years, they need care and some need nursing support. Your generosity to this appeal will help Bishop O'Reilly in his obligations to care for these elderly Priests. This collection will be taken up at all masses this weekend.

THE BIG WIND: The early morning was unsettled, with the odd shower, intermittent sunshine and a brisk south westerly breeze. By about 10am that breeze had become a strong gale, by 11am it was storm force and before noon a full-blown hurricane. Just a few hours later it had all passed over and the sun was shining, as it did throughout the following week, thereby providing an opportunity for to pick up the pieces and repair the damage brought about by violent "Debbie", which hit the West Coast of Ireland on Saturday 16 September 1961. Just a little over 50 years ago today.
