The Collection or Opening Prayer

The Introductory Rites concludes with the Collect or opening prayer. This prayer changes from week to week, even from day to day. All of these prayers contained in our current Missal have been retranslated. People will notice a difference in how this prayer sounds. The sentences are longer and more complex because they follow more closely the structure of the original Latin text. This prayer will demand our attention. Over time the pattern of this prayer will come more familiar to us and will more easily sit on our ear.

Changes to the text within the Liturgy of the Word

The Word of the Lord / The Gospel of the Lord

At the end of the First and Second Reading the reader ac-
tually reads the Word of the Lord – a direct translation of the
Latin Verbum Domini. Likewise in the Gospel we see the omission of the words “This is...” making what is proclaimed a very simple acknowledgement of what we have just en-
tered into through the readings and the Gospel – God’s living word to us.

The new responses which are being used at Mass are available on cards in our Churches. We ask you to please leave the cards on your seats after Mass.
