God of peace and justice,

We pray for the people of Ukraine today.

We pray for peace and the laying down of weapons.

We pray for all those who fear for tomorrow,

That your Spirit of comfort would draw near to them.

We pray for those with power over war or peace,

For wisdom, discernment and compassion to guide their decisions.

Above all, we pray for all your precious children, at risk and in fear. That you would hold and protect them.

We pray in the name of Jesus, the Prince of Peace. Amen.

Jesus says: "whoever is not with me is against me; And whoever does not gather with me scatters."

I sometime feel like I live in a world of twilight,

Halfway between day and night.

I sometimes feel like I am in a state of indifference,

Halfway between love and hate,

I sometimes feel like I am trudging along a

safe little path

Halfway between good and evil.

Lord, save me from the illusion

That because I am not against you

I am therefore for you.

Above all, save me from being neutral.
