**Stepping into the Darkness**

I intend to walk confidently through darkness, with belief in my ability to thrive amid uncertainty.

I intend to walk confidently through darkness, no matter how fluid and foggy my life feels.

I intend to walk confidently through darkness, and set aside what keeps me from loving self and others.

I intend to walk confidently through the darkness, trusting I have guides aplenty to help me find my way.

I intend to walk confidently through the darkness, with freedom to ebb and flow like the tides.

I intend to walk confidently through the darkness and not give in to fear or worry.

I intend to walk confidently through the darkness, believing I have strength enough to face and resistance.

I intend to walk confidently through darkness, being still as a mountain, resting in the trust that all shall be well.
