Reflection – Turning enemies into Friends

When Abraham Lincoln was running for President of the United states there was a man called Stanton, Who never lost any opportunity to vilify him. Yet when Lincoln won the election He gave Stanton a post in his cabinet. Why? Because he considered him the best man for the job. And Lincoln was proved right. Stanton gave him loyal service. Asked why he didn't destroy his enemies, Lincoln replied, 'Do I not destroy my enemies when I make them my friends?'
