A new year brings a new beginning

As the new year starts and old year ends,
There's no better time for making amends

For all the things we sincerely regret
And wish in our hearts we could somehow
forget.

We all make mistakes - it's human to err -
But no one need ever give up in despair,
For God gives us all a brand new beginning,
A chance to start over and repent on our
sinning...

And when God forgives us, we too must forgive
And resolve to do better each day that we live
By constantly trying to be like Him more nearly
And to trust in His wisdom and to love Him more
dearly -

Assured that we're never out of His care
And we're always welcome to seek Him in
prayer.
