SAFEGUARDING: I wish to thank everybody for working with the Safeguarding Service on the Garda vetting process. I am aware that this did cause some anxiety and concern, especially with those who have held roles within the Diocese for many years. It is essential that any person who may come into contact with children or vulnerable adults in their roles are vetted, not only to protect children and vulnerable adults, but to protect themselves as well. The Diocese is committed to ensuring the Church is a safe place for children and Garda Vetting is an important part of this process. Once again thank you for your understanding, support

Cross in my pocket

I carry a cross in my pocket,
a simple reminder to me
Of the fact that I am a Christian,
no matter where I may be

This little cross is not magic,
Nor is it a good luck charm.
It isn't meant to protect me.
From every physical harm.

It's not for identification
for all the world to see.
It's simply an understanding
between my Saviour and me.

When I put my hand in my pocket
to bring out a coin or key.
The cross is there to remind me
of the price he paid for me.

It reminds me, too, to be thankful
for my blessings day by day
And to strive to serve him better
in all that I do and say

It's also a daily reminder of the
peace and comfort I share
With all who know my master
and give themselves to his care.

So, I carry a cross in my pocket
reminding no one but me
That Jesus Christ is Lord
of my like if only I'll let him be.
