Mary's Dream
We have heard a reading from scriptures and looked at the real meaning of Christmas but just for another few minutes or so let us ponder on the true meaning of Christmas. I had a dream, Joseph, I don't understand it, but I think it was about a birthday celebration for our son. The people in my dream had been preparing for about six weeks. They had decorated the house and brought new clothes. They'd gone shopping many times and bought many elaborate gifts. It was peculiar, though, because the presents weren't for our son. They wrapped them in beautiful paper and stacked them under a tree. Yes, a tree Joseph, right inside their homes! Everyone was laughing and happy. They gave gifts to each other, Joseph, not to our son. I don't think they knew him. They never mentioned his name. I had the strangest feeling that, if our Jesus had gone to this celebration, he would have been intruding. How sad for someone not to be wanted at his own birthday party! I'm glad it was only a dream.

MANY THANKS TO ALL THE STALLHOLDERS that made our markets such a success with your fantastic products and services. Thank you. A huge thank you to all for supporting these markets and who purchased. A massive thank you to all who helped out over the last number of months but in particular for our Christmas evening, your help was greatly appreciated. We wish you all a happy Christmas and New Year and we will hope to see you all again in 2016. PARISH ENVELOPES FOR 2016 will be available at Masses next Weekend 26th/27th December. We thank you for taking a box of parish envelopes for collections for 2016. We really appreciate all your support to the different collections throughout the year. Last year the Parish made a claim under the Revenue Charity Tax back scheme which was very successful with a return of €8,500. This is only possible for verifiable donations through the parish envelope donation system; this is in case the parish is ever audited. We would especially encourage parishioners who support the basket collections to use the envelope system. This is a great system under our Tax code the only place where people have a direct say in how their taxes are spent.
