Each Sunday for the month of May
the Diocese of Killaloe Safeguarding Children Committee
will be emphasising the importance of Safeguarding Children

Week 3

We are called to look after one another to the best of our ability
and in line with our circumstances: "When you did it to one of the
least of these, you did it to me" [Matthew 25:40]. (NBSCCC training
manual)

Preventing harm to Children

To set and maintain the highest standards possible. The Diocese
of Killaloe is in the process of developing a culture of safety that
minimises the risk of children and young people being abused by
putting in place:

- Safe recruitment and vetting practices
- Appropriate Codes of Behaviour for adults/children
 - Safe activities for children
- Adequate supervision ratios of adults to children
 - Parental Consent for participating
- Annual audit of practice against the Seven Standards
