### A PRAYER FOR UKRAINE

God of peace and justice,

We pray for the people of Ukraine today.

We pray for peace and the laying down of weapons.

We pray for all those who fear for tomorrow,

That your Spirit of comfort would draw near to them.

We pray for those with power over war or peace,

For wisdom, discernment and compassion to guide their decisions.

Above all, we pray for all your precious children, at risk and in fear. That you would hold and protect them.

We pray in the name of Jesus, the Prince of Peace. Amen.

### Reflection

Jesus said there are two roads we can follow.

The first is wide and easy to travel.

It is downhill most of the way.

It is the way of comfort and ease, pleasure and self-seeking.

Many are fooled and travel down this road,

and end up dying in the desert.

The second road is narrow and difficult.

It is uphill a lot of the way.

It is the way of struggle and sacrifice.

Few take this road, but they are the lucky ones.

This road leads to the Promised Land.

### KILMURRY IBRICKANE DEVELOPMENT COMMITTEE

Great news for the Parish today with the news that the Kilmurry Ibrickane Development Committee under the Chairmanship of Marty Morrissey were informed that Planning Permission from Clare County Council for the proposed Sports Arena in Quilty had been granted.

The Committee have been working tirelessly and patiently for a number of years drawing all the elements that are necessary together to make this decision a reality.

There are certain criteria that need to be fulfilled as happens with all planning permissions that have been granted but these are considered minor rather than major.

The granting of the planning permission means the Committee can now apply for Government funding as well as finance from other sources so construction can start in the future.

The Sports Arena when completed hopefully will be a massive asset to our Community in Kilmurry Ibrickane but also indeed to the people of West Clare and beyond. Not alone will it be ideal venue for sporting events but it will also be designed to hold major concerts, shows, school plays and community meetings.

A major step forward for the project happened this week and no doubt it's brilliant news for our Parish.

**Huge well done to all involved in this fantastic project that will benefit our Community and beyond!**
