1 CORINTHIANS 13 CHRISTMAS VERSION

If I decorate my house perfectly, with plaid bows, strands of twinkling lights and shiny baubles, but do not show love to my family, I'm just another decorator.

If I slave away in the kitchen, baking dozens of Christmas cookies, preparing gourmet meals and arranging a beautifully adorned table at mealtime, but do not show love to my family, I'm just another cook.

If I work at the soup kitchen, carol in the nursing home, and give all I have to charity but do not show love to my family, it profits me nothing.

If I trim the spruce with shimmering angels and crocheted snowflakes, attend a myriad of holiday parties and sing in the choirs cantata, but do not focus on Christ, I have missed the point.

Love stops cooking to hug the child—Love sets aside the decorating to kiss the husband—Love is kind, through harried and tired—Love doesn't envy another's home that has coordinated Christmas china and table linens—Love doesn't yell at the kids to get out of the way but is thankful they are there to be in the way—Love doesn't give only to those who are able to give in return but rejoices in giving to those who cant—love bears all things, believes all things, hopes all things, endures all things. Love never fails.

Video games will break, pearl necklaces will be lost, golf clubs will rust but giving the gift of love will endure.

Merry Christmas!
