#### First Sunday of Lent 21/02/2010.

*'When the Egyptians treated us harshly and afflicted us, by imposing hard labour on us, we cried to the LORD...and he brought us into this place and gave us this land, a land flowing with milk and honey.'* (Deuteronomy 26:6-7,9) As the Israelites suffered at the hands of the Egyptians, they appealed to the Lord for comfort and assistance, in the way that we would pray to God during times of turmoil and insecurity, asking him to lead us towards *our* land of *'milk and honey.'* However, in other parts of the Christian family, there is a reality of praying to God for land where they can cultivate actual milk or honey to feed themselves and their families. The world is not short of food but people's ability to access land, water and technology within rural areas often means they go hungry. Over one billion people in the world will go to sleep hungry tonight. Most of them are from rural, farming families. Securing access to these resources for these farmers is a priority for Trócaire's programmes around the world. Please support Trócaire's Lenten campaign this year in whatever way you can.
