CATHOLIC SCHOOLS WEEK – 22ND TO 29TH OF JANUARY – Catholic Schools week takes place from 22nd to 29th of January. The title this year is "Walking together in faith and love". Each of us are on a journey in life. For Catholics this journey begins and ends with God. Each moment on that journey is a chance to come to know and love God who has been revealed to us in Jesus Christ. We can feel Gods presence when we pray and when we spend time with loved ones. Every Catholic School seeks to help students along their journey nurturing their gifts and talents. Each student is a reflection of God with the potential to make society a kinder and more just place for all. As people may we walk in the shelter of one another and care for one another each day.

Reflection

Our deepest fear is not that we are inadequate.
Our deepest fear is that we are powerful beyond measure.

It is our light, not our darkness that most frightens us.
We ask ourselves, 'Who am I to be brilliant, gorgeous, talented, fabulous?'

Actually, who are you not to be?

You are a child of God.

Your playing small does not serve the world.
There is nothing enlightened about shrinking so that other people won't feel insecure around you.

We are all meant to shine, as children do.
We were born to make manifest the glory of God that is within us.

It's not just in some of us; it's in everyone.
And as we let our own light shine, we unconsciously give other people permission to do the same.

As we are liberated from our own fear, our presence automatically liberates others.
