**April 22nd is World Earth Day.** It is a day when we bring to mind the wonder of our common home, its fragile beauty and extraordinary significance to us

### World Earth Day

*All-powerful God, you are present in the whole universe and in the smallest of your creatures.*

*You embrace with your tenderness all that exists.*

*Pour out upon us the power of your love, that we may protect life and beauty.*

*Fill us with peace, that we may live as brothers and sisters, harming no one...*

*Teach us to discover the worth of each thing, to be filled with awe and contemplation, to recognize that we are profoundly united with every creature as we journey towards your infinite light.*

*We thank you for being with us each day. Encourage us, we pray, in our struggle for justice, love and peace.*

*From Pope Francis' Laudato Si*
