NOAH'S ARK!

1. Don't miss the boat
2. Remember we are all in the same boat
3. Plan ahead—it wasn't raining when Noah built the ark
4. Stay fit even when you are 600 years old you may be asked to do something big
5. Don't listen to critics; just get on with the job that needs to be done
6. Build your future on high ground
7. For safety's sake, travel in pairs
8. Speed isn't always an advantage. The snails were on board with the cheetahs
9. When you're stressed, float a while
10. Remember the ark was built by amateurs, the Titanic by professionals
11. No matter what the storm, when you are with God, there's always a rainbow waiting.

We wish all starting Primary & Secondary School all the very best in the new school year

The music was brilliant – a very special thank you to Frank, his musicians and Martin on sound. Our fund raising has, with help from you all, been most successful.
