#### TEN COMMANDMENTS FOR ONLINE BEHAVIOUR

1. Be positive and joyful. Offer 'digital smiles' and have a sense of humour. As Pope Francis says, 'no "funeral faces" or "sourpusses"!'
2. Never bear false witness on the internet. Never 'like' a lie!
3. Fill the internet with charity and love. Seek to include a sense of charity and solidarity with suffering in the world (Ubi caritas et amor)
4. Aviod aggression and 'preachiness' online; try not to be judgemental. Instead, try Pope Francis's approach of tenderness.
5. Have a broad back when criticisms and insults are made. When possible, gently correct.
6. Pray in the digital world! Establish sacred spaces, opportunities for stillness, reflection and meditation online.
7. Create connections and build community. Church has always been about 'gathering'. Share posts that have a powerful Gospel witness. Live the call to 'love one another'.
8. Promote behaviours that keep everyone safe. Use the internet responsibly!
9. Respect you dignity and the dignity of others in all that you do online.
10. The internet has the power and potential to bear witness—share the Good News online!

### **CATHOLIC SCHOOLS WEEK AT HOME**

All this week, our schools will be celebrating Catholic Schools Week. The annual celebration of Catholic education gives us all the opportunity to be more aware of the unique contribution that our Catholic schools make to Irish life. Our theme this year is Catholic Schools: Called to Serve. During this week we invite you to take time to reflect on the service that Catholic schools give to children, parents, families and communities. We also ask you to consider how best you can offer support to the service that your child's Catholic school provides in so many different ways.

### **MORNING PRAYER**

Father in heaven, you love me,  
You're with me night and day.  
I want to love you always  
In all I do and say.  
I'll try to please you, Father,  
Bless me through the day.  
Amen.
