CATHOLIC SCHOOLS WEEK JANUARY 18TH TO 24TH

Catholic Schools week is celebrated this year from the 18th to the 24th of January under the theme “Normal loves called to holiness” focusing on how everyday actions like kindness, love and service in Catholic Schools lead to Sainthood inspired by figures like St Calds Acoutis and the late Pope Francis emphasising that we are all called to bring the compassion of Jesus Christ to one another. This week we think of the wonderful work being done in our own schools particularly the handing on of the precious gift of faith and all the efforts that are made to include everyone in our schools.

REFLECTION

Our deepest fear is not that we are inadequate.

Our deepest fear is that we are powerful beyond measure.

It is our light, not our darkness that most frightens us.

We ask ourselves, 'Who am I to be brilliant, gorgeous, talented, fabulous?' Actually, who are you not to be?

You are a child of God. Your playing small does not serve the world. There is nothing enlightened about shrinking so that other people won't feel insecure around you.

We are all meant to shine, as children do.

We were born to make manifest the glory of God that is within us. It's not just in some of us; it's in everyone.

And as we let our own light shine, we unconsciously give other people permission to do the same.

As we are liberated from our own fear, our presence automatically liberates others.”

Congratulations to Joanna Doohan on becoming Clare LGFA Captain! A great honour for our County!
