BISHOP'S LENTEN LETTER: At the moment we have 109 diocesan Priests working across our 58 parishes. The following table gives the age profile of these priests.

Age	25-34	35-44	44-54	55-64	65-74	75 plus
No. Priests	4	15	20	15	26	29

On the day the team had to play four matches back to back, which tested their skill, concentration and stamina to the hilt. The team will now represent Clare at the Provincial festival. The structure of this competition allows all schools from the smallest to the largest to compete on an equal basis. To win this competition is a really significant achievement for any team. Great credit is due to the organisers of the competition from the local level upwards.
