Please if your dog fouls in the amenities pick it up and take it away and put it in the bin or a ban on Dogs will have to be enforced.

ST.BRIGID Patron of scholars, poets, blacksmiths, healers, cattle, dairyworkers, newborn babies & fugitives. St. Brigid (c.454-524) founded a monastery in Kildare. Her life depicts her as an active nun, living with her community but often travelling either for evangelical or charitable purposes. Hospitality, alms-giving and care of the sick were her main preoccupation.

Brigid, you were a woman of peace,

You brought harmony where there was conflict,

You brought light to the darkness.

You brought hope to the downcast.

May the mantle of your peace cover those who

Are troubled and anxious, and may peace be

Firmly rooted in our hearts and in our world.

Inspire us to act justly and to reverence all

God has made.

Brigid, you were a voice for the wounded

And the weary.

Strengthen what is weak within us,

Calm us into a quietness that heals and listens.

May we grow each day into greater wholeness

In mind, body and spirit. Amen.

Feastday on 1st February.
