Catholic Schools Week 26th January to 2nd February
As Irish society changes, it is important that we reflect on the
unique contribution of Catholic schools to our collective goal of
education. Catholic schools offer a view of the world as the gift of
God's creation. We are called to be co-creators of love and joy in
the world, thus sharing God's love. We are called to be stewards
of the environment, with a responsibility to protect the
environment around us for future generations.

Saint Paul writes in his first letter to the Corinthians: 'For just as
the body is one and has many members, and all the members of
the body, though many, are one body, so it is with Christ'. This
year, we celebrate how we are each called to promote peace,
unity and harmony in the world, in our words, thoughts and
actions. In caring for others, the environment and ourselves, we
learn to live in harmony with God's creation.

An instrument of his love

Lord, make me an instrument of your love.
Where the darkness of loneliness reigns,
let me bring the light of friendship.
Where the darkness of bitterness reigns,
let me bring the light of forgiveness.
Where the darkness of hurt reigns,
let me bring the light of healing.
Where the darkness of discord reigns, I
et me bring the light of harmony.
Where the darkness of sadness reigns,
let me bring the light of joy.
Where the darkness of doubt reigns,
let me bring the light of faith.
Where the darkness of despair reigns,
let me bring the light of hope.
And where the darkness of hatred reigns, let me bring the light of
love. Amen.
