I believe in death

I believe that it is part of life

I believe that we are born to die,
to die so that we live more fully;
born to die a little each day
to selfishness, to pretence, and to sin.I believe that every time we pass
from one stage of life to another,
something in us dies and something new is born.I believe we taste death in moments of loneliness,
rejection, sorrow, disappointment, and failure.I believe that we are dying before our time
when we live in bitterness, in hatred, and isolation.I believe that each day we are creating our own death
by the way, we live.For those with faith, death is not extinguishing the light;
it is putting out the lamp because dawn has come.**KIB Parish Office Opening Hours this week:****Tue, Thur & Fri from 9.30am to 3.30pm****Parish Collection**Weekend 5th March – 12th march – Basket total: €1,131.00
